

idlewells SCHOOL UNIFORM DONATIONS

Are you able to donate your child's used school uniform at the end of this school year? If so, please consider donating it to the Idlewells School Uniform Donation project. It will be sorted cleaned and distributed to local families, via community groups and organisations, who are experiencing financial hardship and need a helping hand.

All sizes and varieties of uniform will be accepted, with or without school logos.

Uniform can still be donated to us if:

- It is ripped
- It is stained
- It is frayed
- It is faded and worn

Any clothing in this condition will be donated to British Heart Foundation and Mencap, who then weigh the clothing in and receive a cash donation to the charity!

Uniform is being accepted immediately and can be donated throughout July and August to

British Heart Foundation and **Mencap** inside **Idlewells Shopping Centre**, by calling us on **01623 443368** or messaging us on Facebook to arrange a drop-off with the management team.

Supported by

If you represent or are involved with a community group and would like to receive information on how to benefit from this, please email **Chloe** on **chloe@idlewells.co.uk**
